WYCOMBE WANDERERS SUPPORTERS GROUP LIMITED
INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF WYCOMBE WANDERERS SUPPORTERS GROUP LIMITED

Opinion

We have audited the financial statements of Wycombe Wanderers Supporters Group Limited for the year ended 30 June 2023 which comprise the Income and Expenditure account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Society's affairs as at 30 June 2023 and of its surplus for the year then ended;
- and have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and with the Co-operative and Community Benefit Societies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the officers' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Society's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the officers with respect to going concern are described in the relevant sections of this report.

Other information

The board is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusions thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

WYCOMBE WANDERERS SUPPORTERS GROUP LIMITED
INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF WYCOMBE WANDERERS SUPPORTERS GROUP LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 require us to report to you if, in our opinion:

- proper books of account have not been kept by the Society in accordance with the requirements of the legislation;
- a satisfactory system of control over transactions has not been maintained by the Society in accordance with the requirements of the legislation;
- the financial statements are not in agreement with the books of account of the Society; or
- we have not obtained all the information and explanations necessary for the purposes of our audit.

Responsibilities of the committee of management

As explained more fully in the Management Committee's Responsibilities Statement set out on page 2, the Management Committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the board determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the board is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intend to liquidate the Society or to cease operations or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Extent to which the audit was considered capable of detecting irregularities, including fraud

During the audit we identify and assess the risk of material misstatements of the financial statements due to fraud or error; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud and error; and to respond appropriately to those risks.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- We obtained an understanding of the legal and regulatory frameworks applicable to the Society and the sector in which it operates. We determined that the following laws and regulations were most significant: The Co-operative and Community Benefit Societies Act 2014, UK GAAP and the Data Protection Act.
- We obtained an understanding of how the Society are complying with those legal and regulatory frameworks and made enquiries to the management of known or suspected instances of fraud and non-compliance with laws and regulations.

WYCOMBE WANDERERS SUPPORTERS GROUP LIMITED
INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF WYCOMBE WANDERERS SUPPORTERS GROUP LIMITED

- We corroborated our enquiries through our review of board minutes, other relevant meeting minutes and review of correspondence with regulatory bodies and also obtained management representations regarding compliance with applicable laws and regulations.
- We assessed the susceptibility of the Society's financial statements to material misstatement due to fraud or error; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud and error; and to respond appropriately to those risks.

Audit procedures performed by the audit team included:

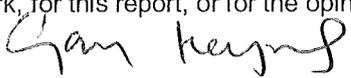

- Identifying and assessing the controls management has in place to prevent and detect fraud, including the existence of supervisory controls;
- Understanding how those charged with governance considered and addressed the potential for override of controls or other inappropriate influence over the financial reporting process including the existence of a monthly management accounts review process;
- Challenging assumptions and judgments made by management in its significant accounting estimates and judgments (in particular in relation to provisions for accrued costs);
- Identifying and testing journal entries, in particular journal entries posted with unusual account combinations; and
- Assessing the extent of compliance with the relevant laws and regulations.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations are from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusions. There is always the unavoidable risk that material misstatements in the financial statements may not be detected despite the audit being properly performed in accordance with UK Auditing standards.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Society's members, as a body, in accordance with section 87 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Society's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Society and the Society's members, as a body, for our audit work, for this report, or for the opinions we have formed.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below:

1.2 Going Concern

The financial statements have been prepared on a going concern basis. The Management Committee have reviewed and considered relevant information, including the annual budget and future cash flows in making their assessment. Based on these assessments, given the measures that could be undertaken to mitigate the current adverse conditions, and the current resources available, the Management Committee has concluded that they can continue to adopt the going concern basis in preparing the annual report and accounts.

Turnover represents monies received (excluding value added tax) from subscriptions, donations, fundraising and other activities.

1.4 Taxation

Wycombe Wanderers Supporters Group Limited is a Registered Society and hence no corporation tax is payable.

1.7 Financial instruments

The Society has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Society's balance sheet when the Society becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

1.8 Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

1.10 Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest.

Trade creditors are obligations to pay for goods or services that have been acquired in the Ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities.
